## BRING YOUR PIGGY BANK TO THE CREDIT UNION

Many kids save their money at home in a piggy bank. The credit union is a great place to bring the money that you've saved at home. We keep your money safe for you and help it grow even more.

As an Astro Kids Club member you earn a higher return than average members on the money you put in your savings account at the credit union. When you save up \$100 you can open a Certificate to watch it grow even faster.

Ask your mom or dad to take you to the credit union today to deposit the money you've been saving in your piggy bank.
