Grow It at your Credit Union  
NATIONAL CREDIT UNION YOUTH WEEK™ 2008

Each year, National Credit Union Youth Week gives us a chance to recognize our youngest members and to encourage them to learn more about saving money.

This year, we have a special offer just for you!

Make a \$5 deposit into your Astro Kids savings account during this week and you will receive a free gift and be entered to **WIN** a \$25 gift certificate from Toys 'R' Us.

## WANT TO GET MORE "GREEN"?

Spending money can be fun. But guess what? Saving money is fun, too! If you can get into the habit of saving money now, while you are young, you will have a head start on a bright financial future.

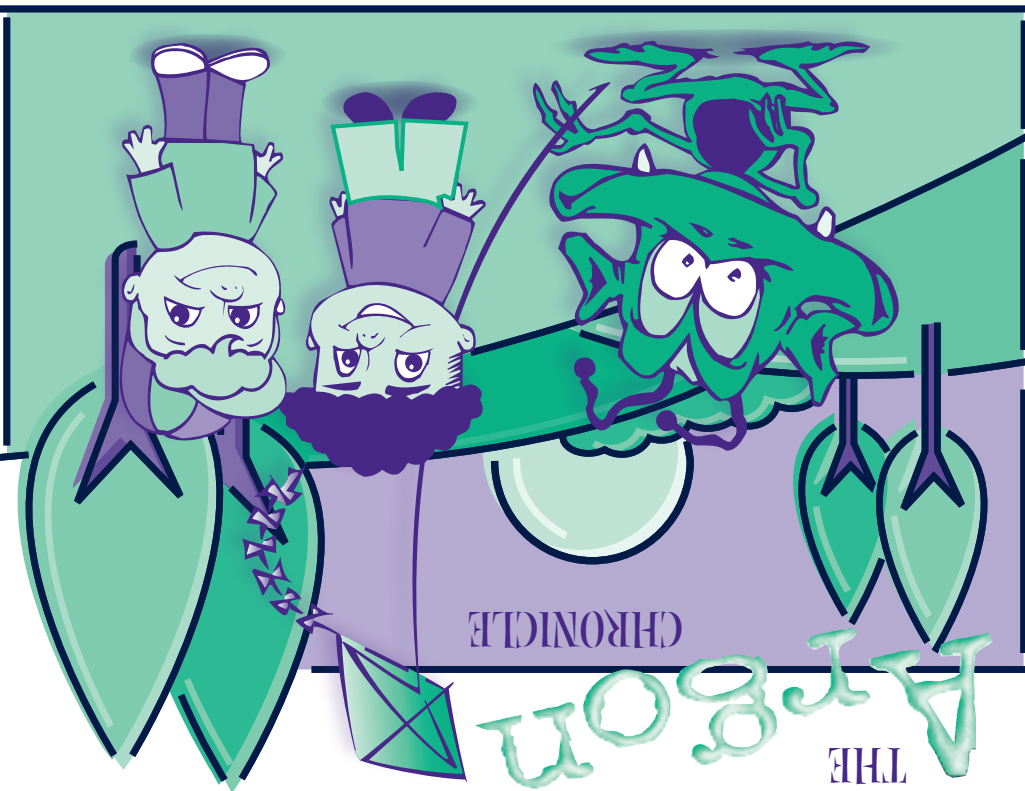

When you get your allowance, birthday cash or other money, set some aside for your Astro Kids Club Account. You can earn a special rate, which means that we actually pay you for keeping your money here! PLUS, Service 1 FCU offers special certificate options for young savers. A certificate helps your money grow even faster, while keeping it separate so you won't be tempted to spend it.

Keep your money in your Astro Kids Club Account, and soon your savings will be sky-high!

# Ask Astro!

**YOU HAVE QUESTIONS ... ASTRO HAS ANSWERS!**

**Q:** What's a credit union?

**A:** A credit union is kind of like a financial club, with lots of different people working together to save money. Service 1 Federal Credit Union is a great place to belong!

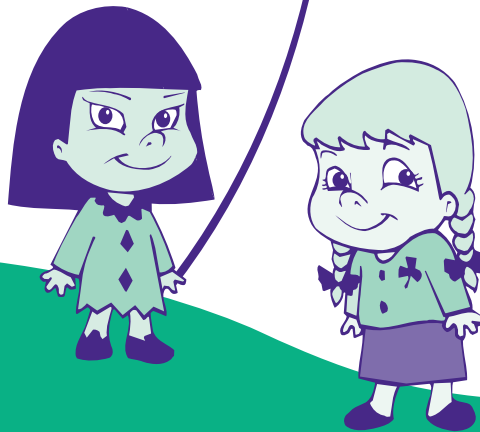

**Q:** When I get older, can I still belong to Service 1 FCU?

**A:** Absolutely! Even when you're too old for the ASTRO KIDS CLUB, you can be a member of the credit union for the rest of your life.
