"My experience dealing with Service 1 has exceeded my expectations...By helping me with this purchase (loan), you have enabled me to expand my business."

- Mason, Muskegon, Michigan

Budgets are tight these days and you have undoubtedly heard that the "frozen" credit markets are making it difficult to get a loan from the big banks. But remember, your credit union is here to help.

Service 1 FCU has money to loan, and we are committed to helping our members. When you turn to us for financing, you not only help yourself- you also help your credit union. A strong loan portfolio is an essential part of our success. So when you get a loan from us it's a win-win situation.

Give us a call or stop by the nearest location and we will be happy to review your options with you.
